

Fellowship

Fellowship is a vital part of our Church community – *click the blue words for more details of each*

Conquest Art – Mondays 2:00 to 4:00pm, when we meet to enjoy the benefits that art can bring to people living with health problems, disabilities or loneliness. A friendly welcome is promised and definitely no artistic ability is necessary. For more information use our [contacts page](#), or see the [Conquest Art website](#).

Tuesday Fellowship – Tuesdays 2.30-4:00pm is an 'open' meeting when a variety of speakers provide an interesting programme. Refreshments give an opportunity for fellowship. Our [contacts page](#) will put you in touch for more information, or just come along!

Knit & Natter – these fortnightly meetings are an opportunity to meet others for a natter and maybe have a go at something new; maybe you have always wanted to knit or crochet but don't know how, or learn cross-stitch but don't know where to start. Meetings are every other Wednesday, 10:00-12:00. Our [contacts page](#) will put you in touch for more information, or just come along!
